Kris,

I hope trial prep is going well. I know you are up to you ass in alligators, but I am writing to follow up on the subpoena issue with Ben Smith. Things are growing restless in Virginia with Xcentric/Richters. When time permits, can you provide us with a list of the categories of documents which would be responsive to our subpoena?

Thanks again!

Gentlemen:

I hope all is well with you. I wanted to let you know that as of now, the case that has been filed by Ed Magedson/Xcentric Ventures is going forward with trial commencing May 15, 2017. The trial is expected to last two weeks.

As you know, Dr. Pitman will end up being a critical witness for the defense of the case. Accordingly, we are hoping that he would be willing to come to Sioux City, Iowa to testify live at trial. We would, of course, reimburse him for any expenses associated with this.

Do you mind discussing this with Dr. Pitman? We want to work out a time that is convenient for him. I would anticipate that we would not need his testimony until sometime during the second week of trial.

Please pass on our appreciation to Dr. Pitman. I know Ben Smith truly does appreciate all of Dr. Pitman's cooperation.

I look forward to hearing from you.
